**Accessible Bathrooms & More**, a showroom dealer for Best Bath Systems, has opened a showroom at 480 E. Franklin Road, Meridian.

Best Bath is a Boise manufacturer of high-end bath and shower systems for senior citizens and people of all abilities. Inventory includes a wide variety of walk-in designs with optional accent colors that can be customized.

An open house and ribbon-cutting ceremony will be held Oct. 23. The showroom is open 9 a.m. to 5 p.m. Monday to Friday.

A display of the company's products can also be seen Saturday at the Nampa Senior Fair at the Nampa Civic Center, and Oct. 24-26 at the Boise Fall Home Show, Expo Idaho.

Free in-home consultations by Certified Aging in Place Specialists are available by calling 888-7561.

**Idaho Distributing Co.** is the new name of two recently merged companies: Spirit Distributing and Coors Distribution Center, according to representatives at C. Stein Inc. Beverage Group.

"Many people equated Spirit Distributing with the liquor industry, and we were more than the MillerCoors Distributor; therefore, the name Idaho Distributing

came to pass," said CEO Craig Stein.

Idaho Distributing purchased the former Associated Foods Distribution Center, remodeled it, and opened a state-of-the-art, 17-acre, 170,000-square-foot center for the distribution of beer, wine and specialty beverages.

The company employs more than 175 full- and part-time workers.

**Idaho Youth Ranch** says details will be released Oct. 22 regarding a new business venture called the E-Commerce Initiative.

E-Commerce or "e-books" will focus on the sale of donated books through an Internet site.

Organizers are hoping this first entry into online sales will also help Idaho Youth Ranch promote its presence on Internet, they said.

Idaho Youth Ranch, a nonprofit organization, operates six residential homes in Idaho for at-risk youth and also provides family counseling, adoption services and foster-care training.

lending services.

The 4,125-square-foot bank building also includes amenities for banking clients, including a coffee bar, big-screen TV, lounge chairs and an Internet cafe.

"We are very pleased to continue to be an integral part of Ketchum," said Linda Packer, branch manager. "This is where we live, work and play, and we believe in participating wholeheartedly in our community."

The bank previously was located at 491 Sun Valley Road E., Suite 201, which will now be occupied by the Ketchum Chamber of Commerce.
