CREATING THE FUTURE
for White Center

CREATING THE FUTURE
for White Center

Creating the Future for White Center

White Center citizens are actively involved in creating a plan to guide their future. Lively public meetings were held at which citizens identified the major issues for White Center. The outcome of this broad based citizens' involvement provided a basis for the Draft Vision Statement and Community Strategies to reach the vision.

What is the White Center Community Plan?

The King County Planning and Community Development Division, working together with citizens in the White Center area, is preparing the White Center Community Plan. The White Center Community Plan was launched in the fall of 1992. The plan will guide future land use, zoning, public improvements and community development activity in White Center over the next 6 to 10 years. It will be sent to the King County Council at the end of this year.

What can I do?

Please read the Draft Vision Statement and Community Strategies and write down your suggestions for additions and changes.

- Do the draft Vision Statement and Community Strategies express what you would like to see in the future for White Center?
- Are there other strategies that would accomplish the vision? If so, what are they?

You can write us at the White Center Plan, King County Planning and Community Development Division, 506 Second Avenue, Suite 707, Seattle, WA 98104 or call Community Planning Section at 296-8619 by August 25, 1993. Our TDD phone number is 296-8646. Your responses will help us refine the Draft Vision Statement and Community Strategies. Your comments will be used as a foundation for creating the draft White Center Community Plan.

What Happens Next?

Public meetings will be held throughout the summer for residents to share their ideas about the community plan. In addition, two "Community Summits" will be held from 7:00-9:00 p.m. on September 28 and from 9:00 a.m. to 4:00 p.m. on October 9 at "White Center Too" 1207 SW 102nd St. White Center, to discuss the draft plan and answer your questions.

Other King County activities

The Miller/Salmon/Seola Creek Basin Plan is currently being prepared in the White Center area by King County Surface Water Management. If you would like further information please contact: David Masters of Surface Water Management at 296-1982.

The White Center/Boulevard Park Local Governance Strategies Committee is currently preparing a report recommending alternatives for local government in the White Center area. For further information contact: Alice McCarty, King County Council staff at 296-1697.
